

POSITION DESCRIPTION

SOCIAL MEDIA INTERN

[Heritage Radio Network](#) | Bushwick, Brooklyn

Summer 2017

Heritage Radio Network is looking to fill a part time position for a social media intern. This is a six-month internship, 15 hours weekly (2 days per week), to begin mid-May. This position is unpaid, but can be applied towards school credit.

About Us:

Heritage Radio Network is a grassroots, action-oriented non-profit Internet radio station focused on creating a food world that is more sustainable, equitable and delicious. Our network boasts 35+ entertaining and informative weekly food-focused programs, and a division of writers who produce stories on topics including Advocacy & Food Policy, Agriculture, Hospitality, Science & Tech, Beverage, and more.

Working at HRN means making a serious commitment to improving the food system and helping to create an exceptional workplace. We are a passionate group of hard workers.

Position Overview:

We are currently seeking a part-time social media intern to help increase listenership, boost public awareness, and enhance engagement with our 35+ weekly shows and daily news coverage. This internship is a unique opportunity to engage with a community of journalists, food producers, chefs and leaders. This is a position for someone who is interested in a creative approach to content management and promotion through audio and social media.

The ideal candidate would be a food studies, media, public relations or communications student.

Performance Expectations:

- Curate existing HRN content through audio, web and written features and promotions (think radio remixes of great show moments, blog round-ups, social media shout outs, newsletters, etc.)
- Social media promotion re: radio programs, news pieces and events on a weekly/daily basis
- Aid in the development and implementation of a social media strategy for individual shows and news pieces
- Disseminate relevant promotion and news to our various social media outlets
- Track analytics on social media platforms

Additional responsibilities dependent upon experience and interests.

Success Patterns:

- Well-versed in social media: Facebook, Twitter, Instagram, Tumblr, and blogging
- Familiar with Google Docs
- Some experience with content promotion preferred
- Strong verbal, writing and editorial skills
- Exceptional planning and organization skills
- Socially outgoing
- Professional demeanor
- Self-starter able to set priorities and work independently, or as part of a team
- Adaptable and comfortable with the evolving demands of a small, organization
- Knowledge of/interest in food and agriculture a plus
- Knowledge of photoshop a plus

Desired Personal Characteristics

- Creative
- Passion for using digital tools to create social change
- A love for radio/podcasts!
- Flexible with a strong work ethic

Please submit resume, cover letter and short writing sample to:
